Description

Description Debonair, a stunning example of how traditional features can successfully blend with the best in modern design. The mix of warm muted colours and carefully toned fabrics create a relaxing country home feel throughout the living, kitchen/dining area, whilst fixtures and fittings deliver the best in style, efficiency and convenience.

The Debonair 8 interior is an epitome of country home living. The lounge has freestanding 2 and 3 seater settees with homely fabrics and contrasting stag and bolster cushions. The living room also features a log-burner style electric fire in a traditional mantelpiece setting.

The farmhouse style dining table is complemented by matching chairs which continue the country theme.

The Debonair 8 has a fully fitted farmhouse-style kitchen benefiting from an integrated oven and 5 ring gas hob, electric cooker hood and integrated fridge freezer. The kitchen units are a mixture of standard and glass fronted doors for an added touch of elegance.

The main bedroom continues the traditional styling with beautiful built in furniture and kingsize bed. Light floods in to the bedroom through the large three-quarter height window and the bedroom is completed with en-suite comprising wash basin and WC.

The second bedroom features two single beds and a built in wardrobe with over bed storage.

The main shower room has a large shower cubicle, stylish countertop wash basin with storage cabinet below, WC and external extractor fan.

The en-suite to the main bedroom has a wash basin with mirror above and WC.
